

Are you up for the Cape Cod Cooperative Bank **CHALLENGE?**

"In difficult times, helping the disadvantaged is more important than ever. A boundless playground helps children, parent and other caregivers who may have physical limitations.

When we heard about Luke's Love - A Boundless™ playground project... We were pleased to become involved by offering a challenge grant."

Steve Lowell, Executive Vice President/COO Cape Cod Cooperative Bank
Brian Manning, West Barnstable Branch Manager

The Luke Vincent Powers Foundation and Cape Cod Cooperative Bank have teamed up to bring a barrier-free playground to West Barnstable. We invite you to join our partnership with a **\$10,000.00 Matching Grant** and help bring this exceptional playground to our Community!

With a **Matching Grant** commitment, your business will be recognized in all project publicity, including news/media releases, radio, newsletters and on our website. Matching grant sponsors will also be recognized on permanent signage at the play area, during all future Luke's Love fundraising events and at the groundbreaking and grand opening ceremonies.

Sponsoring Luke's Love is a perfect way to express your appreciation to the one Community who supports your business throughout the year...
